ISP-AD23-FS25 – Grading scheme for project work

Supervisors: Norman Juchler
Student(s):
Project title:

Overall grade 4.58
Grading completed Yes

30% Content / Implemenation

	Does apply?	Weight factor	Fully satisfied	Partially satisfied	Not satisfied	Score		Total score	Max. possible	Grade	Weight	Completed
Have the students developed a **good understanding** of the concepts and tools studied?	Yes	2		x		2		12	20	4.00	30%	Yes
Have the students **structured the problem** and the solution-finding process effectively?	Yes	2	x			4						
Did the students explore and select **appropriate means** to solve the task?	Yes	2	x			4						
Is the provided **solution functional**, correctly implemented, and aligned with best practices?	Yes	2			x	0						
Is the **code** clean and readable? Does the project follow a reasonable structure?	Yes	2		x		2						

20% Report / Documentation

	Does apply?	Weight factor	Fully satisfied	Partially satisfied	Not satisfied	Score		Total score	Max. possible	Grade	Weight	Completed
Are the **context, the data and the problem** adequately described? Are the project goals clear?	Yes	2		x		2		16	22	4.64	20%	Yes
Did the students adequately **discuss their findings**, addressed limitations, and discussed potential improvements?	Yes	2	x			4						
Is the report **comprehensible and complete**, while at the same time concise and to the point?	Yes	2			x	0						
Cleanliness: Does the manuscript use proper language (orthography, style)? Is the report aesthetically appealing?	Yes	3	x			6						
Are **references** used and cited (or linked) correctly in the text? Does the student adhere to the ZHAW AI policy?	Yes	2	x			4						

30% Presentation / Video summary

	Does apply?	Weight factor	Fully satisfied	Partially satisfied	Not satisfied	Score		Total score	Max. possible	Grade	Weight	Completed
Did the students clearly introduce the **context** and motivate the project?	Yes	2	x			4		16	20	5.00	30%	Yes
Was the content, especially **the method and the results**, clearly presented?	Yes	2	x			4						
Did they demonstrate a **solid understanding** of the concepts?	Yes	2		x		2						
Did the student make good use of **multimedia resources**? Is the video summary **entertaining**?	Yes	2		x		2						
Is the **delivery** clear, engaging, and within the expected time limit?	Yes	2	x			4						

20% Creativity / Overall impression

	Does apply?	Weight factor	Fully satisfied	Partially satisfied	Not satisfied	Score		Total score	Max. possible	Grade	Weight	Completed
Did the students demonstrate **curiosity and engagement** with the subject matter?	Yes	2	x			4		12	16	4.75	20%	Yes
Did they explore their **own approaches** and go beyond the minimum requirements?	Yes	2		x		2						
Were they **reliable** and professional (e.g., meeting deadlines)?	Yes	2		x		2						
Were they self-organized? Was the **teamwork** fair and effective?	Yes	2	x			4
